Inspector Kishita,

Thank you for meeting with me yesterday to finalize all of the details of our permit.

Since I do not have access to the special events page, can you please confirm that you received the confirmation from CD 15 that they would be assuming 100% of the permitting costs.

I would like to request that you email the permit to me when it is ready since Sandra is not in the office. Would that be possible?

Thank you again for all of your assistance.

Best regards,

Lorena Parker

Sandra,

I'd like to triple confirm that the street closure is all set for next Thursday for PBID? Thank you for working on it!
